LET'S TALK! ---ABOUT AUTISM

April 25, 2011 by cpehrson

The new *Let's Talk!* weekly blog gives you a chance to let us know how you feel about the issues and concerns that affect the lives of people with disabilities and their families and to hear what others think.

This week's topic is for anyone who lives or works with individuals who have autism/Autism Spectrum Disorders (ASD): parents, family members, friends, service providers/professionals.

What is the greatest need that you have that would help you as you work with someone with autism/ASD?

Are there things that you wished you would have known earlier about autism/ASD that would have helped you?

What is the greatest worry that you have about the future of someone with autism?

Ready, set....Let's Talk!

Let us know of other topics that you want to talk about.
